VANILLA CLOTHING IS MADE WITH LOVE AND TOTAL RESPECT FOR PEOPLE AND THE ENVIRONMENT.

We believe in responsible design and only develop quality garments that are made to last.

All factories that manufacture Vanilla garments hold at least one of the following ethical audits - **WRAP, BSCI or SEDEX** - in fact most hold all three!

None of our garments contain any of the current substances of very high concern in accordance to **European Regulation (EC) 2006/1907 - Reach Regulation.**

All components used in our garments have been tested to **Oeko-Tex Standard 100** and hold a current certificate testifying this fact.

We are committed to acting ethically, with integrity and are transparent in all business dealings. We dedicate ourselves to putting effective systems and controls in place to safeguard against any form of modern slavery taking place within the business or supply chain.

Our management team regularly audit all of our garment manufacturing facilities and key suppliers to these factories.
